## Animal Welfare Commitment

Animal welfare is our top priority. BEMP operates in accordance with Perdirjen P.16, under supervision from the Ministry of Environment and Forestry. Animal health is always monitored by our Vets and we are also a permanent member of IZAA since 2022.

# What is P.R.I.D.E Academy?

In line with the UN Sustainable Development Goals, BEMP proudly launches the **PRIDE Academy: Program for Responsible Interaction, Development & Education** - an innovative series of education programs & modules dedicated to nurturing future generations of Marine Guardians.

**PRIDE Academy**, and its series of products are designed to deliver an **enriching learning journey** where students learn through **observation and engagement** - in classes, workshops and team building games led by our conservation specialists.

Programs in the PRIDE Academy series:

The Education Module in PRIDE Academy are a combination of animal care, biology and sustainable practices. We regularly update the materials, following the UN SDG Goals and global trends in blue economy & conservation standards.

**More details about the relevant classes, can be found at the Product Comparison Table**
